Who we are

Somany Ceramics Limited (SCL), is amongst the top 15 global giants of the Ceramic Industry, established more than 50 years ago by Late Shri Hiralall Somany Ji. Brand SOMANY under the capable leadership of Mr. Shreekant Somany, Chairman & Managing Director and Mr. Abhishek Somany, Managing Director & CEO, is a household name in India for Tiles and Bathware. Moreover, it exports its products to more than 55 countries across 6 continents. The company is a complete solution provider in decor solutions with widest product selection in all categories, namely - ceramic (wall and floor tiles), polished vitrified tiles, glazed vitrified tiles, sanitary ware and bath fittings.

SOMANY's determined pursuit of delivering excellence has placed the brand in an illustrious position. This wouldn't have been possible without the vision of Late Shri H. L. Somany Ji, who laid the foundation for the company's long-lasting success. He believed in staying ahead of his time - creating trends instead of simply following them, constantly innovating as opposed to catching up. His wisdom and culture is not only an intrinsic part of the company's DNA but also of the following generations of leaders.
